REG NO. 003-721 NPO

7 April 2011

We hereby confirm that St Francis Hospice in Port Elizabeth will be the recipients of all funds raised as a result of **J-PAK'S CYCLE FOR CANCER CAMPAIGN** in the 94.7 challenge on 20 November 2011.

Darius Minie will be competing on a BMX bicycle, supported by colleagues and friends.

We feel that this is a wonderful way of honouring J-Pak's late Branch Manager Theo Havenaar who recently lost his battle to cancer, and the many, many people whom Hospice has assisted at the end of life's journey.

Hospice is both a program and a philosophy of care that is dedicated to improving the quality of life for patients with a terminal illness. We provide palliative care; which is the holistic care of patients whose disease is no longer responsive to curative treatment. We are currently caring for +- 600 cancer and/or HIV/AIDS patients and their families monthly and hospice care is available to all who need it, irrespective of payment. Many of our patients live in abject poverty.

**Please** support J-Pak in their endeavours to get sponsors for this most worthy event, *thereby helping us* to provide our much needed compassionate service.

Sponsoring per km, donations – all at MOST welcome. To expedite the system all donations and sponsorships may be made directly into Hospice's bank account, details as follows:-

**Standard Bank Account Name: St Francis Hospice**  
**Branch code: 050417**  
**Account No. 080260349**

**NB: Please reflect 94.7 and your Company name / surname as reference, so that we may track this project, i.e. "94.7 CHECKERS" or "94.7 DUTOIT"**

With our most sincere thanks and blessing
